Andrewpricee.Github.io/portfolio 

21 year old developer looking to find new ways to make peoples lives easier through technology.

Skills

- Knowledge of Multiple Languages (Computer Related)
- Interest In UX/UI
- Strong Portfolio
- Able to Maintain and Develop

Experience

Current

Software Developer / PBSA, South Africa

Currently working on the Toolset suite Provided By SigniFlow which is linked on my webpage under "more applications" – also responsible for design and maintenance .

2017

Sales / iStore, South Africa

Sales Person.

Education

2017

BAppSocSci / SACAP, South Africa

Studied a psychology course for one year which I use in my application development process.

2018

FullStack Developemnt / CodeCollege, South Africa

Incredibly in depth course focusing on javaScript frameworks such as Angular and a Strong focus on Java as a backend.

Little Bit Extra

Day by day I'm picking up new languages and working with them to create more and more things. At the moment I feel comfortable in Languages such as C# (WPF applications) as well as most web languages. I have many examples of my works linked and displayed on my webpage. Feel free to contact me should you need anything more.
