Education

Code College

Completed a Java boot camp which consisted of:

- **Java (Spring, JHipster, SOAP, Postman)**

- **Web Development (HTML, CSS, JS, Node, Angular, APIs, PHP)**

- **Version Control (Git, BitBucket)**

- **Databases (SQL, MYSQL, MongoDB)**

Fourways High School

- **Completed Matric 2016**

- **Achieved 2nd Place for Computer Application Technology**

SACAP

Completed a year of psychology:

- **Interpersonal Communication**

- **Diversity and Development**

Personal Goal

I aspire to become like many of my current role models who find ways to bring their careers into their personal life in order to be more connected to - and at the same time more easily enjoy - their work life.

Leadership

- **High school Sound & Lighting Captain 2014-2016**

- **Counselor 2015-2016**

Helpful Attributes

- **Determined to succeed**

- **Hard working**

- **Able to troubleshoot and learn independently**

- **Persistent learning**
